

# Entry Form

for the project selected for the  
International-Friends-of-Nature Climate Contest

**Deadline for entries:** 15/8/2008

**Please send to:**  
**Naturfreunde Internationale**  
**A-1150 Wien, Diefenbachgasse 36**  
**Fax: +43 1 8129789**  
**E-mail: [climatecompetition@nfi.at](mailto:climatecompetition@nfi.at)**

## Entrant (Friends-of-Nature house and / or group / organisation):

Name:

Address:

Phone:

E-mail:

Homepage:

## Key contact

(please name the person mainly responsible for the project):

Name:

Address:

Phone:

E-mail:

## Subject of entry

1) Our entry belongs to the following category / categories (multiple references possible):

Construction

Management and operation

Regionality

Mobility

Information / Public relations

2) Brief description of entry (subject, objective):

### Progress report

3) The project we enter for the contest ...

has been completed

has been launched

is still in the planning stage (please move on to Item 5)

4) The following components of the project have been implemented.  
Please indicate when work on the project was started and completed.

Component:

Started:

Completed:

5) The following components of the project are still in the planning stage and/or have not yet been completed.  
Please indicate when these elements are scheduled to be completed.

Component:

Planned to be completed by:

### Individuals and organisations involved

6) How many people were / are involved in which capacities in designing and implementing the project?

7) Please name the external partners / institutions you were able to and/or which you are planning to involve in the implementation of the project

## Funding

8) What is the total cost of the project?

..... Euro

9) Which possible sources of financial aid were /are planned to be tapped?

App. .... Euro

From the funding bodies indicated:

10) Did you /are you going to seek donations for the project you are entering for the contest?

App. .... Euro

Type of donation (in kind, cash, ...)

11) Which types of external and internal advice did you /are you going to seek?

## Experience gathered

12) What worked particularly well  
(e.g. cooperation with external partners, motivation of the people involved, ...)

13) What problems did you encounter in the implementation of the project?

14) How simple or difficult was it / is it to find external partners for the project?

15) We benefited from cooperating with external partners, because ...

16) Are you planning to expand the project (e.g. to bring in additional partners) and/or have new ideas for climate-protection measures come up in the course of the implementation? If so, please indicate.

17) Were other Friends-of-Nature houses, organisations, individuals, etc. sensitised to climate protection and motivated to take action?

18) Did you set specific (quantifiable) targets when planning the project (e.g. CO<sub>2</sub> reduction, saving of heating media, etc.)?

19) Did you succeed in reaching these climate protection targets?

20) Apart from the climate protection targets reached, what benefits do you expect to result from or are even now discernible as a result of the project, for example in terms of less expenditure on electricity and heating or on food; or in terms of guest satisfaction, image improvement, etc.?

### Presentation of the project

Please tick off (non-taxative list) and send by mail:

Naturfreunde Internationale, A-1150 Wien, Diefenbachgasse 36

Presentation folder
